INSTRUCTIONS

A. GENERAL

1. This Questionnaire refers to any lawsuit that you filed before April 2, 2001 for an "asbestos-related personal injury or wrongful death claim." This term is intended to cover any lawsuit alleging any claim for personal injuries or damages that relates to: (a) exposure to any products or materials containing asbestos that were manufactured, sold, supplied, produced, specified, selected, distributed or in any way marketed by one or more of the Debtors (or any of their respective past or present affiliates, or any of the predecessors of any of the Debtors or any of their respective past or present affiliates), or (b) exposure to vermiculite mined, milled or processed by the Debtors (or any of their respective past or present affiliates, any of the predecessors of any of the Debtors or any of their predecessors' respective past or present affiliates). It includes claims in the nature of or sounding in tort, or under contract, warranty, guarantee, contribution, joint and several liability, subrogation, reimbursement, or indemnity, or any other theory of law or equity, or admiralty for, relating to, or arising out of, resulting from, or attributable to, directly or indirectly, death, bodily injury, sickness, disease, or other personal injuries or other damages caused, or allegedly caused, directly or indirectly, and arising or allegedly arising, directly or indirectly, from acts or omissions of one or more of the Debtors. It includes all such claims, debts, obligations or liabilities for compensatory damages such as loss of consortium, personal or bodily injury (whether physical, emotional or otherwise), wrongful death, survivorship, proximate, consequential, general, special, and punitive damages.
2. Your Questionnaire will be deemed filed only when it has been received by Rust Consulting Inc., the Claims Processing Agent, via U.S. Mail, Federal Express, United Parcel Service or a similar hand delivery service. A Questionnaire that is submitted by facsimile, telecopy or other electronic transmission will not be accepted and will not be deemed filed.

Do not send any Questionnaire to the Debtors, counsel for the Debtors, the Future Claimants Representative, the Official Committee of Unsecured Creditors, the Official Committee of Asbestos Personal Injury Claimants, the Official Committee of Asbestos Property Damage Claimants, the Official Committee of Equity Security Holders, or such Committees' counsel. Questionnaires that are filed with or sent to anyone other than Rust Consulting, Inc. will be deemed not to have been submitted, and such Questionnaires will not be considered.
3. Your completed Questionnaire must (i) be written in English, and (ii) attach relevant supporting materials as instructed further below.
4. All holders of claims described on page i (and as described in further detail in Instruction A (1) above) are required to file this Questionnaire by Jan. 12, 2006. Your Questionnaire will be used in connection with the estimation hearing to be conducted by the Court pursuant to the Estimation Procedures Order (a copy of which is attached as Appendix B).
5. Any subsequent amendment to the Questionnaire will not be considered for any purpose unless received by Jan. 12, 2006.

B. PART I -- Identity of Injured Person and Legal Counsel

Respond to all applicable questions. If you are represented by a lawyer, then in Part I (b), please provide your lawyer's name and the name, telephone number and address of his/her firm. If you are represented by a lawyer, he/she must assist in the completion of this Questionnaire. Also, if you would prefer that the Debtors send any additional materials only to your lawyer, instead of sending such materials to you, then check the box indicating this in Part I (b).

All references to "you" or the like in Parts I through X shall mean the injured person. If the injured person is deceased, then the executor of the person's will (or similar estate representative) must complete this Questionnaire.

C. PART II -- Asbestos-Related Condition(s)

Please indicate all asbestos-related medical conditions for which you have been diagnosed. To complete questions related to injuries, medical diagnoses, and/or conditions, please use the following categories of customarily diagnosed conditions:

- Mesothelioma
- Asbestos-Related Lung Cancer
- Other Cancer (colon, laryngeal, esophageal, pharyngeal, or stomach)
- Clinically Severe Asbestosis

- Other Asbestos Disease

If you have been diagnosed with multiple conditions and/or if you received diagnoses and diagnostic tests relating to the same condition by multiple doctors, please complete a separate Part II for each initial diagnosis and any previous or subsequent diagnoses or diagnostic tests that change or conflict with the initial diagnosis. For your convenience, additional copies of Part II are attached as Appendix C to this Questionnaire.

Supporting Documents for Diagnosis: This Questionnaire must be accompanied by copies, with access to originals upon request, of any and all documents you, your counsel, or your doctors have or subsequently obtain that support or conflict with your diagnosis.

X-rays and B-reads: Please attach all x-ray readings and reports. You may, but are not required to, attach chest x-rays. The court, however, has ruled that Grace may seek access to chest x-rays upon request.

Pulmonary Function Tests: Please attach all pulmonary function test results, including the actual raw data and all spirometric tracings, on which the results are based.
